The Marine Brokers Association (MBA), a division of the Boating Industry Association of NSW (BIA), was established to identify and grant accreditation to professional marine brokers in recognition of their training and experience.

Accredited marine brokers are pledged to the BIA 'Code of Ethics' and 'Code of Practice', ensuring that you, the customer, are treated fairly and ethically.

THAT'S THE ONLY PART WE CAN MAKE EASIER

To further ensure the needs of the market are being met, you can also take advantage of the MBA web site, designed to make your buying and selling experience more satisfying.

Visit www.boatsales.org.au to see how MBA members can serve you better.

For professional advice on buying or selling a boat, visit the web site or an accredited MBA member and deal in confidence with someone who is committed to providing expert guidance throughout the boat buying and selling experience.
