

THE ADVENTURES OF BOATING START HERE!

TO START LET'S LOOK AT HOW WE CAN USE OUR 5 SENSES WHEN NEAR THE WATER

Thinking about your **5 senses**, draw a line from one of the senses to the word which you think it best matches

SIGHT

TOUCH

SMELL

WAYS TO STAY SAFE WHEN NEAR THE WATER

TICK THE CORRECT ANSWERS, AND REMEMBER, IF YOU HAVEN'T TICKED THE ACTIVITY YOU SHOULDN'T BE DOING IT!

		Apply sunscreen	Swim in rips
		Run on wet rocks	Throw rocks in the water
		Wear a lifejacket in a boat	Wear a hat
		Check the weather before	Pulling friends under water
		heading out on the water	Follow directions of lifeguards
	Ш	Jump into shallow or murky water	Jump headfirst into water
		Throw sand	Swim between the flags
		Tell someone where you are	Distract the skipper
	_	going	Swim with an adult
)		Leave your rubbish behind	Touch bluebottles and jellyfish
		Swim after dark	Read beach warning signs
		Wear shoes on sharp rocks
