

boat safe this weekend

With high levels of boating activity over the long weekend, be prepared.

- Ensure all the required safety gear is onboard, accessible and in good condition.
- Wear a lifejacket; it won't ruin a day on the water. Children under 12 must wear a lifejacket and adults must when on a vessel under 4.8m, when off shore, alone and at night.
- Check the engines, sails and rigging are all in good working order.
- Check the weather. Tell someone where you are going and when you expect to return.
