

spring service

With the end of Winter now upon us, it's the right time for a spring clean on your boat. It makes sense, whether your boat is big or small.

Check your safety gear, trailer serviceability, steering mechanism and linkages, as well as the power plant.

Have your boat slipped and anti-fouled before the good weather starts.

Having your boat serviced by your local BIA member makes good sense.

For a list of BIA members log onto www.bia.org.au

www.bia.org.au p. 02 9438 2077

For employment in the marine industry log onto the BIA website and click on "Employment & Training"

For boating weather go to www.bom.gov.au/marine

Be part of the boating community ***MyBoatinglife.com.au***
